

VICTIM IMPACT SPEAKERS

PRESENTATIONS TO HIGH SCHOOL ASSEMBLIES

Victim Impact Speakers has made presentations to high school assemblies and expanded driver education classes at over 100 high schools in southern, central, and northwestern Illinois. The presentations are made by victims of drunk, reckless, and distracted driving and by individuals who lost a family member to these tragedies, along with a victim advocate who has assisted several hundred victims and family members over the past 10 years.

To request an assembly presentation at no charge at your high school in Illinois, contact George A.M. Heroux, Victim Impact Speakers, 4030 Thornbrook Drive, Springfield, IL 62711, call 217 546-4922, or email VIS at victimimpact@att.net.
