

# VICTIM IMPACT SPEAKERS

4030 Thornbrook Drive, Springfield, IL 62711

217 546-4922, email [victims@victimimpactspeakers.com](mailto:victims@victimimpactspeakers.com)

From October, 2007, to September, 2008, Victim Impact Speakers made presentations to high school assemblies and expanded driver education classes at over 50 high schools in southern, central, and northwestern Illinois. This effort was supported by a grant from the Illinois Department of Transportation. VIS hopes to continue these efforts in upcoming years through support from individuals who care about the potential dangers of drunk driving, reckless driving, and distracted driving. The presentations are made by victims of such driving and by individuals who lost a son or daughter to these tragedies along with a victim advocate who has assisted several hundred victims and family members over the past eight years.

Parents of high school students and others who are concerned with these dangers can assist by sending a contribution in any amount to Victim Impact Speakers, 4030 Thornbrook Drive, Springfield, IL 62711. VIS is a non-for-profit organization and all contributions are deductible on federal taxes. Anyone who would like to finance and assure a presentation at a specific high school can do so with a contribution of \$500.

Questions or comments can be made by contacting VIS at 217 546-4922 or by email at [victims@victimimpactspeakers.com](mailto:victims@victimimpactspeakers.com).

A partial list of high schools where presentations have been made during the past nine months, with contacts and contact numbers, follows:
