

VICTIM IMPACT SPEAKERS

VIDEO IMPACT PANEL DVD

Danny Hicks will be in a wheelchair for the rest of his life because he was a drunk driver's passenger. Lori Isom is a 43-year-old widow; her husband was killed by a drunk driver. George Murphy's daughter was a 24-year-old pedestrian at a July Fourth parade when she was struck and killed by a drunk driver. Denny Pryor lost his 18-year-old son to a drunk driver. George Heroux is a lawyer and victim advocate who has assisted hundreds of family members whose sons, daughters, mothers, fathers or spouses have been killed or seriously injured by drunk drivers.

All five of those mentioned above are very experienced Victim Impact Panelists. Now they are on a DVD with studio-produced VIP presentations for use by organizers of Victim Impact Panels whether there is a need for one speaker, several speakers, or all five speakers. This DVD is available for \$79 (which includes the cost of shipping) from Victim Impact Speakers.
